Platform launch (company statement)

best-ai.org
Domain since November 17, 2026, formerly best-ai-tools.org

HOW THE PLATFORM WORKS

- Free to use without an account: search, filter by price, compare tools.
- Paid placements are labeled as featured or ad and are not part of the default sort order.
- GDPR-minded: analytics cookies are only set after consent.
- Vision “Find AI with AI”: finding AI tools with the help of AI. findAIwithAI.com redirects to best-ai.org.

SHORT DESCRIPTION FOR QUOTING

> Best-AI.org is a directory of AI tools based in Hannover, Germany. The platform by BitAutor helps people find, compare and understand AI tools, free of charge and without an account. It currently lists more than 3,900 tools in 17 categories.
